PROVIDING
WORLD CLASS
LED PRODUCTS

Mishti

MAKE YOUR WORLD LIGHTED

Welcome to the world of **Mishti** LED Lighting and switches & accessories.

Mishti Electricals aims to develop a wide portfolio in the area of led lighting and switches & accessories through continuous quality increment. The modular switches accentuate the streamlined look by staying flush with the colour plates . our products endeavor to create to meet your current and future need.

Mishti Electrical significant advantage is that every stage of production development and innovation is evaluated in terms of changing technologies and user needs.

Mishti Electricals has been relentlessly working towards offering unique solution to consumer for their homes and offices

We've learned over the years of experience from our fathers to keep innovating and making our products innovative, durable and yet simple for everyone to use.

We believe that professional and personal growth happens when we combine a fantastic state of the art product with an excellent platform for our dealers and channel partners to work from and grow- it aids in delivering beautifully to our customers.

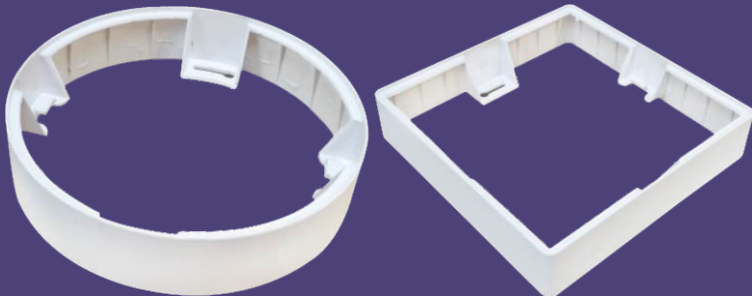

Let us endeavor to make Mishti Electricals a trusted brand.
